## Coronavirus Update

Somerset Hills mausoleum continues to remain closed to the public. With the health and safety of our staff in mind we will continue to service burials and entombments however we will not permit anyone other than the funeral director to attend. We do not make this decision lightly but hope to avoid any shutdown of our facilities.

As an essential part of the death care process we will continue to service the community with both our crematory and burial services.

Please do not hesitate to email [gina@shmpcemetery.com](mailto:gina@shmpcemetery.com) if you have questions or concerns. Please think of others as we navigate the next few weeks and stay well.
